

ST. VINCENT'S MEDICAL CENTER

FEDERAL CREDIT UNION

iOS Android Google App Disclosure

St. Vincent's Medical Center Federal Credit Union app periodically collects, transmits, and uses geolocation information for enabling features that prevent fraudulent card use and alerts, but only if the End User expressly authorizes collection of such information. Geolocation information can be monitored on a continuous basis in the background only while the Solution is being used or not at all, depending on the End User's selection. The End User can change his/her/their location permissions at any time in their device settings.
